A Book Of American Women

The Routledge Introduction to American Women Writers (Paperback) book cover. The transatlantic and transnational origins of American women's literary. 16 Jan 2014. Women read more books than men. The average American, Pew reports, read five books, a number that increased as readers got wealthier. Rad American Women A-Z: Rebels, Trailblazers, and Visionaries. Your first book is Little Women by Louisa May Alcott. This is an iconic American text. It was written in the years immediately following the American Civil War.

The Vintage Book of American Women Writers by Elaine Showalter. How Books Inspired a Generation of American Women. Of a number of accomplished women born in America's Gilded Age who lost—and found—their lives in the streets of New York, the most important was probably a woman named Victoria Woodhull. She was one of the first women to run for president of the United States and one of the first women to speak in public. She was also a masterful politician and a brilliant journalist. She was a woman who understood the power of the press and used it to her advantage.

The Vintage Book of American Women Writers, edited by Elaine Showalter, presents an anthology of the most important women's literature in America. The book includes works by such authors as Harriet Beecher Stowe, Louisa May Alcott, and Charlotte Brontë. It also includes works by contemporary writers such as Toni Morrison and Alice Walker.

The Vintage Book of American Women Writers is a valuable resource for anyone interested in the history of American women's literature. It is a comprehensive guide to the most important works by women, and it provides a valuable overview of the development of women's literature in America.
The Vintage Book of American Women Writers is the first of its kind: a dazzling, monumental showcase of 350 years of poetry and fiction by American women.
